“ *One remarkable little boy who has left an impression on everyone's heart that were lucky enough to know him. An everlasting smile with a heart of gold. God knew you accomplished all he sent you to do so he has taken you home to be with him. As hard as it is going to be on everyone you left behind we all know you are smiling down on us.*

“ *We thank Yahweh for letting Aaron infect us with his smile. Thankfully Jesus terminated his problems. May the Holy Spirit guide all through the grieving process. He was similar to a shooting star, beautiful but short lived. Charles and Mary Staley*

“*Kristie, Krischan, Karen, and all of Aaron's family, Mark and I share your pain over the loss of Aaron. He was such a happy boy, even though he had many disabilities. His smile and laugh were infectious. We couldn't help smile and laugh with him. I loved how he was always so happy to see us, and responded to us with such pleasure. He will be greatly missed, and I know it will leave a big whole in your life. We will keep all of you in our prayers. I know he is having the best time now in Heaven! Thinking of him there brings a smile to my face. Love, Hugs , and Kisses to all of you.*

“*Aaron endured a lot during his short life with us. He always had smiles and laughter for us except when we saw him suffering in the hospital. We prayed often that God would miraculously heal his body. God did that, but not on our terms, by blessing him with his new body in heaven. God be with you, Kristie and Krischan and Karen . We know that Aaron will leave a big void in your lives and in all in your family.*
