“ Betty was my manager at Lab Safety Supply in the IT department. She was so awesome; she had a quiet, calm demeanor and always a friendly smile. I valued her friendship and am truly sorry to hear of her passing. May she rest in peace.

“ I worked with Betty on elections in Springstead. She was the best and had a great and very dry sense of humor that left us all laughing. She also made me a beautiful quilt. She will be sorely missed by the Springstead community!
