“ *Dina was my favorite Green Bay Packer fan. We watched them play every Sunday. She had her own unique interpretation of the game, which I will always cherish. She was a great cook and loved sharing her food with friends and customers. I have missed her friendship since we moved and will look forward to seeing her again.* ”

“ *"Dina" was a big part of my childhood whenever I was fortunate enough to visit Park Falls. Dina and her husband Chuck would baby sit me and allow me to come to their house to play. I cherished all the times we got together with all the relatives in Park Falls, what a wonderfully lucky kid I was to have all the cousins and Aunts and Uncles in my life.....* ”
