January 12, 1957 - January 10, 2018

Craig Allen Schemberger

age 60, of Park Falls, died suddenly on Wednesday January 10, 2018 in Glidden. He was born on January 12, 1957 in Milwaukee, the son of Warren “Bud” and Harriet (Heglund) Schemberger. His early life and schooling were in Waukesha. On February 18, 1978 he married Susan Sedivy, the girl that lived across the street and the love of his life. The couple lived in Waukesha, where Craig owned his own construction company, CASS construction, and built custom homes. In 1989 they moved to Park Falls. Craig built many homes in the Park Falls area and worked in commercial construction for many years. As a family, the Schemberger’s began a small Maple Syrup adventure, tapping the trees in their yard. Upon his retirement, Craig and his girls expanded to Lakeside Syrup and Honey. He loved selling his products and socializing at farmers markets and craft fairs throughout northern Wisconsin. Craig had a “tell it how it is” approach and was always heard before he was seen. He was very proud of his daughters, they were his everything. Craig will be dearly missed by his family and friends.

He is survived by:

his wife Susan of Park Falls

his (3)daughters:

Samantha (Christopher Tank) Schemberger

Cassy (Travis) Pydo

Andi "Fred" (Alan) Ellner, all of Park Falls

Aunt June Peters of Park Falls

his half brother Marvin (Maddie) Goetter of Waukesha

his brother-in-law Lenard (Connie) Sedivy of Waukesha

and other relatives and friends.

He was preceded in death by his parents, his sister Wendy Schemberger, and his half brother Tom Goetter.

“ *I am so sorry to hear of Craig's passing. I just found out when I came to the Farmer's Market in May. I spent several years at Farmer's Markets being next to him or close to him. They were good times. He'd give me his cucumbers from the salad he had. I also know if I had had any problems he would helped me out. He loved his "girls".*

“ So very sorry to hear of Craig's sudden passing. He will be missed very much by family, friends and neighbors. He always expressed his love for Susan and his girls. Such pride in all of you! You picked the perfect picture to show his great smile and laugh that went clear to his sparkling eyes. Because we have a lot of orchards and 80 some fruit trees, I remember teasing Craig that I should get a free jar or honey for letting his bees enjoy our apple blossoms. Of course, his reply was a joke about how he should get some of the apples that his bees helped pollinate. Again, so very sorry and if there is anything you need, please let us know.
