

Cynthia "Cyndi" Zach

November 28, 1956 - December 3, 2020

Cynthia "Cyndi" Zach

age 64, passed away December 3, 2020 at her Butternut home. She was born November 28, 1956 in Georgetown, SC to Gerald and Lucy (Langston) Enter. Cyndi spent her childhood and youth in South Carolina, eventually moving to the Northwoods in 1987. Cyndi's devotion to others was demonstrated in her work with the Butternut School (health aide) as well as serving as the Ashland County Health Administrator for several years. Her dedication to hard work not only shined through her extensive gardening but also her tireless efforts to achieve her Bachelor's Degree in Nursing and Master's Degree in Public Health.

Though she spent her career serving others, Cyndi loved to love her family and friends. First and foremost, she was a dedicated wife, mother, grandmother, and sister. In the spring of 1996, she met her friend and loving husband Kim Zach; the two were married March 28, 2002. She treasured her children (Shannyn, Matthew, Cassie) and especially loved her role as Grandma Sugar to Daynen, McKenzie, Liam, Jake, Lucy, and Hazel. Cyndi had a vivacious and infectious personality and was always quick to laugh at her family's antics. She found immense pleasure in her sibling trips with Gloria, Gerald, and David. Cyndi delighted in the annual family beach trip at Amelia Island, cross-country adventures with Kim, and countless cabin weekends and holidays spent with her children and grandchildren. Her true passion was her family and friendships, and all those who knew her felt lucky

to receive her love.

Cyndi will always be:

- Cherished wife of Kim Zach of Butternut
- Beloved mother of Shannyn (Laurie) Zach of Glidden; Matthew (Amber) Freeman of Sun Prairie; and Cassie (Aubrey) Mortimer of Superior
- Adored grandmother of Daynen, McKenzie, Liam, Jake, Lucy, and soon-to-be-delivered Hazel
- Dear sister of Gloria Batemen of Sumter, SC; Gerald (Johnnie) Enter of Yulee, FL; and David (Patti) Enter of Greenville, SC

She was preceded in death by her parents and brother-in-law Robert Bateman.

A private service will be held at St. Paul's Lutheran Church in Butternut.

Birch Street Funeral Service is assisting the family.

“ Dearest Kim & family....my sincere sympathy to all of you...Cindy was an absolutely beautiful woman in every way....she always had a kind word & a beautiful smile for anyone she met...she had a wonderful sense of humor & so very, very many other beautiful traits....she was just an absolute treasure of a woman & a human being & I myself am truly honored to have had the privilege of knowing this absolutely beautiful soul....we mostly crossed paths when her & Kim's fur babies decided to take off from their home & go off on an adventure & they usually eventually ended up by our house....cuz I think they always remembered we had food...water & treats to give them which probably wasn't a real good thing to do cuz when Kim came to get them after searching for them all over he was not exactly happy & their fur babies knew it too but that didn't stop them from doing it once again some time later on....Cindy will forever be missed by so very, very many but never, ever forgotten.....Rest In Peace Beautiful Angel

“ I worked with Cindy as a health department administrator form another county and attended initial health officer training from the state with her years ago. We spent many positive times together in evenings of trainings with other health officers having dinner and conversing. She always had positive, endearing stories to share of her family and southern heritage. She had a passion for the people in her community and willingness to serve with a fresh perspective in public health. I am honored to call her a colleague and I will miss her. My condolences to her family from many of us in the northern region.- Annette S

Met Cyndi back when she came to the Northwoods! Such a wonderful addition to our community. When ever we have icy roads I always have a good chuckle because of some of her remarks about dealing with the ice and snow. Loved her sense of humor, her positive attitude, and integrity. I always smile when I think of her or hear her name because, so often it seemed she could read my mind. We are all are so much richer for having had her in our lives.
