He touched many lives with his caring and insight, especially through his business, Dave's Fletching and Archery in Park Falls. His greatest reward was leaving you with a laugh or a smile. “ *So sad to hear of David's passing. It was my honor to grow up knowing him and those memories will always stay in my mind and heart. We spent many hours playing Pool on my father's pool table. Dave used to hit the que ball so hard it would bounce over the ball he was aiming at and completely off the pool table. And then say he "meant to do that". That is a memory I will never forget. Rest in Peace Dave, I will see you again. I am sure there is a pool table in Heaven and it will be game-on when I get there.*

“ *Still can't believe this is true.....talked to David J just two weeks before he passed and he was still cracking jokes and sharing his 'wisdom'....I know he always had me laughing and on the day I found out he had died, I was in tears and disbelief that he was truly gone...he will be missed so much. Thank you to Heidi for letting me know.....I truly feel honored that I got to call this unique man my friend.*
