“ I just found out today about Dee's passing and it was a sad surprise. I know Dee from the Needle Workshop as part of the Glidden stitchers. Dee was a talented needle artist who was fearless when it came to trying new things. Her stitching was as beautiful as her soul. She will be missed as a customer, but more as a friend.

My condolences to the family. To Tami and Tina, know that your Mom's legacy lives through your beautiful creations.
