“ *Denise was my first girlfriend. Gave her a bracelet at the local swimming pool when we were in 6th grade. She was tall, long curly brunette hair. Hard to believe. Just attended our 50th high school reunion and learned she had passed. Sounds like she was very productive in her adult life and helped so many people as a first responder. A life well lived. God bless. Stew Bishop.*

“ *Denise was a wonderful woman and I very much enjoyed working with her when there were ambulance runs to the Pike Lake area. It was about a year ago that I last saw her and we had a nice visit catching up. She is a person has made a footprint in people's lives. My thoughts and sympathy go out to Denise's family and friends.*
