“ I first met Eddie in the early 80's when he was the Owner and Master Mixologist of the Homestead in Fifield. With guys weekends at the cabin, the Homestead became our go to place to quench our thirst. As years went by and we got older we realized we didn't need spend 4 days in woods without showers and for a few bucks we could get a shower, a big bowl of homemade soup and a drink or six at the Homestead. Eddie was always welcoming and accommodating..we became good friends. Years later when I married my wife, we would go to Fifield for our anniversary. It started with a visit to Ed at the Homestead and then crossed the street for a great dinner at the Northwoods. For many years when asked what we are doing for our anniversary, we'd simple say "we're going up north to see Ed". We eventually moved to Fifield for a while and would see Ed and Amy. He worked at the Park Falls dam for a while and I couldn't help asking " Hows the dam job going" and he would reply "its a good dam job". That never got old at least for me.

Its been a few years since I saw Ed, but following him, Amy and family on FB was great.

Rest in peace "fiddling man" until we meet again....

Prayers and healing thoughts to Amy, Quinn, Alec, Eddie and Tony

*“ Ed and I rode the bus to school from 6th grade through high school. He was very well like and we all had a good time. We lost touch after high school but a few years ago we were at the same table with him, Amy, and Alec. We had a nice evening reminiscing about our school days. Also had the pleasure of hearing his twins sing at this Madrigal feast
He couldn't have been a prouder dad. R.I

“ Most people know as Jaime (Himy). My connection to Ed is through my very good friend Ed Kobesko. I was part of the road crew for the Atlantic Mine band back in the mid 70's. The only time I met Ed O was when we went to the northern part of the state. He impressed me as a genuine stand up guy. He didn't have any time for you if you weren't the same. His love of his family, his music and his friends was incredible. I am sorry to say that most of this is second-hand through Ed K. I wish that I could have spent more time with him on a personal basis. I want to assure his family and all of his friends in the Mercer area that you are in my thoughts and prayer. Virtual hugs to all.

“ *I'm so overwhelmed with sadness that it's difficult to articulate all the memories and feelings I have for Ed. What comes to mind is that he was always tender and supportive with no judgement or demands my entire life - that's Cousin Love 💕

“ *During my freshman year of high school, I've had the privilege to meet Ed's son Quinn. Soon after that, I got to meet his dad, Ed. Ever since I've known Ed, he was one of the most upbeat and kind people I've ever met in my life. He was one of the most talented people I've ever met. His album with The Koke Band is one of my favorite albums to listen to in my car. I've also have had the honor of playing music along with him at The Outhouse Bar, and at Merri Cassidy's. I've always enjoyed talking to him. He and his family are very close to me.*

My prayers and thoughts are for Quinn, Alec, Amy, Eddie, and Tony through this hard time. Ed will be dearly missed by many and I'll always remember him.

“ *Heartbroken. Ed was like another uncle to me, always there with open arms and his sparkling smile and eyes. Miss that laugh so much. Last time I saw him he reminded me how much he loved me like he always did. Love you too, Ed.*

“ *Some of my most treasured childhood memories come from our family vacations at O'Meara's resort, then working there as a dock boy, listening to jam sessions by the water, following Koke, North Starr, and other names around the northwoods. Ed was my 3rd cousin but felt like a first, many memories of him with visits at the Homestead and Brier. Thanks for always treating me as family, love you Ed, Amy, Eddie, Tony, Quinn and Alec... 🍀❤️👉*

“ *Ed was my cousin and like a brother to me. I have known him since kindergarten. Lived with him at times. Played music with him over the years and loved every minute of his presence. My fathers sister and his parents ran the O'Meara's resort on the flow age in the 60s. Ed's music career had its roots there. He will always be in my memory.*

“ In 1962, I worked for Ed’s parents at O’Meara’s Resort. Ed was 12 yrs old and had a dog (named Barney) who followed him around wherever Ed went.
I’ll always remember Ed being a very kind and gentle person all his life.
We all loved him.

Dear O’Meara family. I am saddened to hear of Ed’s passing. I knew Ed through his assessment career. I worked for the Department of Revenue and always felt Ed was a fine and just man performing a difficult job. Ed was a true gentleman. Rest In Peace Ed. Hugs and prayers to the family at this time.
