“ *Mrs. Olson was an amazing girl scout leader. I remember sitting on the floor with her in the American Legion hall one meeting afternoon and we talked about her Wedding Ring. She was such a pillar of the community for us girls. I really admired her. I'm sure she's helping out or organizing all the young people in heaven and they are thrilled with her smile, generosity and love. Jean (Koshak) Schieffer*

“ *Shirley and Family: So sorry to hear about your mom. She was the sweetest, kindest lady! Will always remember her as the best Girl Scout leader we could've had. How she put up with us I'll never know. She had the true patience of a saint! May she Rest In Peace! Blessings to you and your family. I'm sure you will miss her dearly, but also have many great memories with her to ease your sorrow. Take care.*

“ I remember when Clayton and Eleanore offered to babysit my children for the afternoon. When I arrived to pick them up, she had them all in the bathtub because Clayton had taken them into the barn and let them ride some wild heifers. They were all covered in manure. We had a really good laugh. Their house was always very special to my family.
