“ *Loved visiting with Estelle every summer. This past July we shared remembering Polish words. She did very well!! A memory I will never forget is when she told me, my mom and sister that she wished her name was Diane. So when she would call me, she would say: "Hello, this is Diane!"*

Because of Stella my husband and I moved to the Northwood after retirement a couple of years ago. My first visit was to the farm when I was about 8mos old. My sister, mom, and I enjoyed our visits with "Diane".
