“ Everytime you were with Evie was a treasured memory. We met when I was a nurse at the West Bend hospital, which was in the 1960s. . She was one of my patients, we bonded right away. Became lifelong special friends.  
Can't put all the memories down, but I would say the best were when the family would come to Texas or if They were on a route with a truck in Texas. Then Peggy decided to move to San Antonio and go to nursing school. My heart jumped with joy and pride. We may have had miles separate us, but we were in each other hearts. Love y'all and our heart breaks for your loss. I know you're devastated and rightly so.  
When I think of Evie one word comes to mind "Sunshine ". She brightens everyone's day. I dare you to have a bad day when you were around Evie.  
Evie, we love you and treasure having you as a gift in our lives.
