October 21, 1938 - February 2, 2025

Gary Oliver Ocker

passed away peacefully at home surrounded by family on February 2, 2025 at the age of 86. Gary was a hard-working and generous man who loved his family, friends, and farm-life. He was born in Glidden, WI on October 21, 1938 to parents Ernest and Olga (Moe) Ocker. At the age of 5 months, he and his family moved to Fifield to establish the family farm, known later as Ocker's Acres. Gary attended Fifield High School and shortly after graduating in 1958, he met the love of his life, Jan. They married on February 25, 1961 in Fifield. They were married for 61 years. Gary loved all aspects of the farm, including the land and the cows. He had a bright sense of humor, enjoyed watching the Green Bay Packers, and spent his free time riding around on the Gator (which he nicknamed "The Putt-Putt") with his four-legged companion Jade assessing the crops and livestock. Gary was always up for a last minute parts run in order to keep the farm up and running until the very end. He played a vital role in developing and operating the farm including many upgrades and changes over the years. He was an active member of the community by serving as Fifield Town Chairman, on the Park Falls School Board for 30 years, and was a member of the Fifield Fire Department.

“ Gary was such a nice man. He always had a great smile and laugh. I always enjoyed talking with him because of his nice outlook on life. He is missed.

“ Gary Ocker was a remarkable man. For many years he had our second graders come to farm and experience a farm, calves, barn, hay ride, milking, a dairy treat, etc. He and his wife always made it special for all of us.

“ Dear Gary Ocker Family,

Our hearts are with all of you during this very difficult time. I will miss Papa Gar. Though he and I never exchanged many words, I gave him a hug whenever I could, and he always graciously accepted. I remember helping with the cows in the barn, until I got kicked, and Papa Gar saw me limping and said, "Did she git ya?"

And I remember leaving to go to a movie - Jan, Gar, Judy, and me - and Gar looked in his rear-view mirror, said nothing, but slammed on the brakes, spun the car around and sped back toward the house. The cows were out. We raced back, he put the cows back, and we were off to the movie.

I always felt like an extension of your family when I was with y'all. I'm sure that's just a natural thing in your family. I am grateful.

*Love to all of you,
Tracy (Kundinger) and Ed Busby*
