“ I worked with Gene at St. Croix. Loved it, so much fun. As I can remember, she talked a lot about her family, how much love she had for them. I just read her obituary. RIP my friend.

“ I loved visiting Aunt Gene on her farm. I remember her laughter and she was always sweet to me. I remember her and her sisters all laughing and telling stories. She is missed.

“ When I think about Aunt Gene I will always smile. She was a part of my life growing up and a large part of my family when we lived in Butternut. She knew how to enjoy all things in her life....large or small. She will be so missed.

“ Jean was a good friend of Lucille Buechner's. Although that friendship grew mostly thru their many phone conversations, Lucille thoroughly enjoyed them & it helped pass the time for both women.
