“ *As an outsider from Chicago which I was (glenn wojcieszak) aka Wojcieszak,s Flambeau Resort. Greg and I became friends he was one of the first people who welcomed me to Park Falls and did not judge me. Rather he embraced me. He saw that a city boy could be a country boy ! and fit in just fine .
I am sad that you are gone ! I lost my Dad in 2016 he liked you too.

“ I knew Greg from the time he was one of those “Ball boys”. Always a hint of devil in his eye!!! He grew up to be a kind, compassionate man who loved wife and family deeply. Your passing leaves an empty place in so many hearts.

“ I went to High School with Greg. He was a grade ahead of me . I remember he always had a flashy car and he was always willing to give me a ride home after a football game. I have thought of him on occasion and am saddened to learn of his death. Sounds like he had a happy life and a good one. Glad to hear he never lost his zest for fun .
