“ Helen, Mac and family lived next door to us during my entire growing up years. Went through good times and tough times together, and those memories are special always. I was able to keep in touch with Helen over the years and will have those memories always. Such a sweet soul she was, and with a great giggle with her sense of humor. I will be unable to make it up north for her service, but I send my love and memories to your family. Special hello to Jack, Jane and Bruce. Didn't we have a fun time growing up in our little neighborhood?
