“ *I have known Herb for 31 years. I was glad to call him my friend. Always interested in hearing how your day went in the woods or ready with a quick story and laugh. I emember giving him about a half dozen pheasants one year and the look on his face was as if I gave him a new car. Was happy to have my daughter meet him and my nephew spend time sharing friendship with a Flambeau River Legend. My condolences to Carm and Mark. I just stumbled across Herb's obit. He will be missed by all the Oxbo Steenberg's.*
