I am so incredibly grateful for your love and dedication to teaching the truth of HaShem's Word and the love that you brought to not only your family, but the family of Beth Emeth. You truly were in love with HaShem and His Word and that flowed over to everyone who had the honor of knowing you. I am certain that HaShem will say well done thou good and faithful servant. I will share more later. Love and Shalom. Amelia

“ I worked with Jack at Cooper Supply for many years. He was always so gentle and compassionate. He had a sense of humor that everybody loved. Belly laughs were a daily thing. He joined a Nursing Home Ministry I had through my church with me and a few others and what a difference he made in the lives of the residents plus all of us. We all had a special bond that will always be cherished. The residents loved him and souls are in heaven because of him. My condolences to Marilyn and everyone in the family. May the Lord be your comfort at this difficult time and bring you peace knowing he's in heaven with the Lord and strength in the days ahead. Mary Ellen
