“ *I am Donnie Setterman and will miss Jimmy very much. He was my much loved first cousin. We had lost touch for many years but found one another about 14 years ago. He introduced me and my wife, Kathy, to the rest of the family. What a joy it was to find so many wonderful cousins!*

Jimmy was kind, loving, and very proud of his children and his life in Park Falls. Even though he must have suffered he was always upbeat and determined to live! God was surely with him. I enjoyed visiting occasionally and getting to know my lost family. Please know that Kathy and I extend our prayers to all of you and wish we could attend the Celebration of Life.

Each time we got to spend time together we would joke around about his purple truck, I'd mention that I wanted it and he would chuckle at me and then he'd say, We'll see. And we would laugh. His dogs were his life. I'd visit and his dog would be on my lap. He would say, I've never saw a person who came over and a dog would jump up on their lap right away.

“ *My first best friend when I moved from Tx to Parks Falls. Jim used to call me just to hear my Tx accent. Took me dancing, for motorcycle rides, told me where to fish. He and my Dad had history, as did my Dad and Jim's Dad. A very kind guy. Grateful for our friendship.*
