“ I will always remember working with her at the hospital. She always had a smile on her face, and always looked for the positives in life. She loved her family and would do anything for them. You have a wonderful angel to help you each day. Remember when you see a cardinal, she is coming to visit you, and the stars in the sky are her love shining down on you. Many of God's blessings on all of you. You are all special family to me, and she was my dearest friend and co-worker. HUGS HUGS HUGS and lots of prayers coming your way! Love you, Joan Page
