

## JoAnn Marie Gehrman

June 10, 1929 - November 20, 2025

JoAnn Marie Gehrman

June 10, 1929-November 20, 2025

It is with sadness that we announce the passing of our beloved mother. Mom, the Lord has taken you Home!

Mom was born on June 10, 1929, to Fred and Adeline Steiger. Along with her brother John (Jack) she spent her youth in Park Falls. As a matter of fact, other than attending Caroll College and a brief stint teaching in Escanaba, she spent her entire life living on 3rd Avenue.

On February 14, 1953, she married Robert Rienow Gehrman and shortly after they moved into the house she lived in her whole life. Their family immediately began to grow and their devotion to family, friends, community and the Lord began and was unwavering. She was a lifelong member of Peace Lutheran Church and her relationship with the Lord was paramount.

Mom's zest for life was real, and she leaves an indelible mark on us, her 11 grandchildren, 21.5 great grandchildren, and so many friends and acquaintances. She was just a good person; the type that could "have a conversation with a wrong number".

A celebration of life will be held at Peace Lutheran Church on Wednesday,

November 26 with visitation from 10:00-11:00 with service, procession and gathering at Peace Lutheran to follow.

Mom, you are loved by so many, and you have left your mark on us. We know you have been welcomed home by the Lord and are dancing with your parents, Dad, your brother Jack, Daughter Jeanne, and so many relatives and friends. They are happy to see you coming Home. We'll miss the weekly phone calls, the notes on birthdays and anniversaries, and your feisty personality, but your legacy will be carried on with all the wonderful recipes, the Christmas ornaments you sent to the grandkids every year and all the kind touches you made on our lives. "Naked and Afraid", "Americas Funniest Videos", the Badgers and Packers, and your love for the birds and "chippies" all will last, take on new meaning and give us so many fond memories!  
Your children Tom, Julie (Fischer), Dan, Jim and Bill

“ From the Netherlands, we would like to take a moment to remember JoAnn Gehrman. JoAnn’s granddaughter lives here in the Netherlands with our son and their family, which is why this message comes from across the ocean.

JoAnn always took a strong interest in her grandchildren and great-grandchildren. At Christmas, Easter, and on other special occasions, she would send beautiful cards to the whole family and share what was on her mind — including with us, the parents of Friso and the in-laws of Kristen. Because she loved birds, we often sent her a handwritten card with a beautiful bird on it to Park Falls, Wisconsin.

We are grateful that JoAnn was still able to hold her two great-grandchildren from the Netherlands in her arms not too long ago. May this exceptionally kind and gracious woman rest in peace.

“ Loved JoAnn! She was a dear friend of my mom, Lucy Esterl and they shared many fun times....cards, shopping and chatting. She also was a neighbor for many, many years. Loved her cheerful spirit! Jane Esterl Hauboldt

“ *Joann was one of my favorite people. She always knew me by name and was able to share with me stories about the good old days. She was a customer of mine and I will never forget how kind she was to her husband as they walked through the aisles of Ben Franklin. I always admired her for that. She was an amazing woman.*
