“ Jodie is my daughter in law. As a mom I want all to know she made my son so very happy. She was Roberts rock. Most important is the two shared a deep hunger for study of the Word of God. I will miss the many long phone calls to ask questions in regard to the Bible from them both Bob on speaker phone so they could share.. The deer must miss her coming out to hand feed them peanut butter sandwiches. She had beautiful flowers everywhere in their yard, so beautiful.

I can not yet believe she is gone but great to know she is in heaven with her heavenly father. That is without question as she loved her Jesus. My sorrow is that my son is without his Jodie. Thank you Jodie for 40 years of loving my son.

*A grateful mother in law
