“ *What a shame to lose a great guy at such a young age. And to cook? He could cook like no other and enjoyed it. Him and Annie had many years working together at the bar. Both with smiles. May he Rest In Peace and no more suffering 🥹🥹🙏🙏*

“ My thoughts and prayers go out to the entire John Eitrem family. He was 68 years old, which is young. I am sure he was very proud of all of his children, and part of him will always live with them. 🙏

Thank you for your kind words and condolences. Mom lives with me in Chippewa Falls. Her Dialysis and heart condition prevents us from travelling not much further than Dialysis every other day. Shes still as fystie as ever though. We get the PF paper and mom reads every week. I am glad to see dads suffering is over. I'm sure they will meet again in heaven in the very near future. Praise be to God and his plan for us all. AMEN

“ Our Sincere sympathy’s to the entire family on the loss of John from your lives! We were regular customers at Jacks’s Corner Bar, and greatly enjoyed John’s entertaining opinions, his many stories of life experiences, his incredible culinary skills that were both his, and carried down from generations! He taught us more than we could remember, but it was always worth taking the time to listen! He loved having his family beside him as he worked and those will be memories to cherish for each of you! We were from the Township of Eisenstein and I grew up not far from his family’s homestead. There was a bond among those in Eisenstein that existed long before I knew him, but is still considered a privilege to this day! John excelled at each phase of the many interests he had, and was always working and thinking ahead! We have so many wonderful memories that will live in our hearts and mind always. It is a great loss of history and friendship. May God bless you and comfort you during this difficult time 🙏🙏❤️
