“ *Thoughts and strength to the Hardy Family. John was a great guy with a great sense of humor.*

“ *Jack was not only my brother, but my friend and confident. I will miss so many things about him...his corny jokes, and the fact that he could make a funny story just about anything. Jack has come to the end of his journey and road, but I will remember him always, and I will share stories about him, so in a sense he is still here. Happy Trails Jack. Sending love, tears, and smiles.*
