“ *I am so sorry and shocked to hear about Josh passing away. My friendship with Josh began when I started a band of misfit musicians. My little brother Kevin on the drums, me on guitar, Roland Krystaszek on bass guitar and Josh rounding out the band as lead vocalist. Yeah, we were terrible. I remember convincing Roland that I would teach him how to play bass and he had to ask what it was. And Josh, all he wanted to sing was the Doors.. We did do a not terrible version of Communication Breakdown. Anyhoo, later I met Willy and Lisa Ross and a few other people in the group and when Bill and Cindy bought the place up north we visited them quite a few times. Josh and Willy both were great to party with and fish with and I'm glad I got a few good memories with him. My deepest sympathy to Willy, Bill, Cindy, Brianna, Caleb and all who were close to Josh.*

“ I am so sorry to the whole family. I am sending my love and prayers to you all. Growing up, Caleb and I were always together. I remember being with Breanna and Caleb a lot and Josh spent a lot of time with us. Played games with us and told us jokes. He was a positive role model in my life. He was also important to my mother and other family and family friends. I always remember and picture Josh with a smile on his face. Even in remembering him I feel the warmth of his smile. And that will forever live on in my heart. God be with you all. Much love.

“ Bill, Cindy, and Willy and other family,
Losing Josh is a shock and very confusing. I am so sorry for the loss of such a great guy who has been apart of my life for years!! I know things won't be easy and it is going to take time to adjust. Just remember how much love everyone has for him and he had for everyone. How and why he got himself lost and down a dark path who knows but his love will continue in all memories we all have of him!! Hugs from afar!!
