“It is easy to be pleasant when life flows by like a song, but the man worth while is the one who will smile when everything goes dead wrong. For the test of the heart is trouble, and it always comes with years, and the smile that is worth the praises of earth is the smile that shines through the tears.”

“ *Thank you for everyones sincere condolences. My mother was a beautiful person. Anyone would agree she would give the shirt off her back for those in need. She was hard working and caring. Her struggle with cancer is past, and she can enjoy her eternity in heaven. Amen*
