“ To the Family of Kenneth especially daughter Brittney.
I am so sorry to hear of Kenneth's passing

*To all those who called him– Soul Mate, Dad, Grandpa, brother,
brother-in-law, and uncle, father-in-law and Friend. Our deepest
heart sympathy especially to your Family.*

*Reading about his life makes me think of him as the
Energizer Bunny to many, I am sure. He may not have changed the
dials of history but I am sure he changed peoples lives.*

*May your family savor the fond memories of what your family
shared with one another. And cherish those moments in time. Life is
always too short, but we can make those memories,
bring a bright and cheerful life with all our love ones.
May God bless you with many fond memories.*

Below is a poem that summarize life's journey, I believe.

*A reading by a man who stood up to speak
at the funeral of a friend.*

*He referred to the dates on their tombstone from the beginning to
the end.*

*He noted that first came the date of birth and he spoke the following
date, with tears.*

*But said what mattered most of all
was the dash between the years.*

*For that dash represents all the time
that they spent alive on the Earth.*

*And now only those who loved them know
what that little line is worth.....*

*We don't choose our birth date or death date,
but we do decide how we live the in-between and make the most of
our life....*

The Greeks did NOT have Obituaries

They only asked.. “Did they live with PASSION??”

*In Greek AGAPE means "Love as an Action" -
Act as what you Do, makes a Difference.*

*"There are no goodbyes for us.
Wherever you are, you will always be in my heart."
—Mahatma Gandhi*

*"Tears are God's gift to us. Our holy water. They heal us as they
flow."
—Rita Schiano*

Grief is the price we pay for Love. – Queen Elizabeth

*"There are two important days in your life: the day you're born,
and the day you find out why. (hopefully) we know why.
-By David J. Johnson - founder of the Global Owl Project, 2023

Soulmate and friend quotes:

*"If we'd never met, I think I would have known my life wasn't
complete.*

Soulmates are so hard to lose.

*"What greater thing is there for two human souls
Than to feel that they are joined to strengthen each other,
to be at one with each other in silent unspeakable memories."
— George Eliot*

*No one is ever lost in death,
As long as, they are not forgotten.

*May God comfort your family in his arms.
God Bless you all...

“ *I remember when he came over to help Ger after his stroke and retaught Ger how to hook up his trailer again. Anytime we needed an extra hand Kenny was always there to help. Remember when we painted your house in one weekend and so much fun because Kenny was funny. Your family are in our prayers.*
