“ *Dearest Wendy, I wish to send you my deepest sympathies and love in the loss of your husband. I never knew Kevin, but see he is such a handsome young man and am saddened that he passed from this life so soon. I remember he was struggling years ago when I had cause to visit the nursing home more often. You were strong, and said little of what your family was going through. I send you my love and many prayers at this time, and as you face the future without him by your side. God Bless and Comfort you and your family 🙏🙏*
