“ *WOW, Cleve was such a man of the woods! Both Rocky and I enjoyed talking to him when we would see him at the Round Up! He was sure to always put a smile on your face, and when you walked away you knew he meant every word he said to you! Lonnie, you were and always will be his greatest love! We pray his transition to heaven or to a special deer stand in the woods!*

Cleve, my brother Joel told me he saw you three weeks ago and told me about your circumstances. I had no idea and would have driven up to see you. You were always a special kind of guy and even though I haven't seen you much over the years, I always thought you were a special kind of guy. God bless you and please watch over all of us remaining here looking up at you. Thanks for all the fun memories.
