“ Sandy and Cole, Lance was the definition of true friend and neighbor. He was always willing to help anyone even if it was 2am and my cow was having trouble giving birth or giving a complete stranger gas so they could get home. Everyone in this area has been touched in one way or another by Lance's generosity or giving spirit. He brightened many people's day with a funny story or joke. I know the world is a better place because Lance's kindness has rubbed off on all of us. We have lost a kind, funny, and truly loving man.

“ Lance was always so helpful to our family. The last time I saw him was last summer, he was hauling hay and I passed by and we stopped and talked for a long time. He loved that tractor and taking his Grandson out to check on the cows Lance was such a true friend. We will surely miss him. Love, John and Stephanie (Kilger) Karker.

“ SANDY and Cole, After having received the terrible news today, I have been lost, a million emotions and don't know where to go with them. I have to say SANDY and Cole THANK YOU for sharing Lance with us, I know that it was not always easy. In a very selfish way, I am so very happy to have gotten to have Lance as such a big part of my life. Lance was responsible for the smile on my face and laughter in my heart. If he wasn't telling some kind of Bullshit story he was pulling some kind of prank. Lance was an Icon in this community. I know that half the county is feeling the same way I am.. Lance will live in so many of our conversations for years. COLE you should be so very proud you and those little grandsons were your Dads everything. Even though Lance didn't always show it you were everything to your Dad. SANDY you were a wonderful and patient wife. I am so SORRY that we all robbed Lance from a lot of important time with you and Cole, but that time has given me some of my most fun memories of my life. All my years at Citgo would never have been the same without Lance and his ontirage. To all Lances coffee clutching friends carryon, but remember no one will ever fill Lances shoes so don't even try. COLE you take care of your Dads stool with his name on it don't let just anyone sit on it. Park Falls and Butternut have lost their biggest prankster. WHAT A LOSS
Sandy if there is anything I can do to help ease your pain please ask.
To all Lances friends that are in morning please share those fun stories of Lance so Cole and Sandy can hear them that will help them .
Lance you rest in peace and Thankyou for the opportunity of knowing one of the world's biggest BULLSHITTER. I will miss you and your shit eating grin forever.
