“ Seems like I've known Linda forever as she, and she and Bill, have shared times with my life since I was a kid. My sincerest sympathy to their entire family.

“ I hadn't seen Linda in a number of years but I had always enjoyed talking to her. She had a contagious laugh and an animated way of telling a story that was one of a kind. I'm smiling now just thinking about it. I appreciated her honesty and her sass as much as I did her kind heart.

I hope your own sweet memories will bring a smile to your face on days you miss her most. Sending love to you all. ❤️

I'm so sorry to see this. I've known Linda for year although we weren't close. I knew her parents better. Linda was always pleasant when she would come to cribbage with Jerry and Cupie. Prayers to her family.
