“ *I have certainly missed Linda and the time we spent with her and Ken years ago going to dinner, spending time with them at there home or our home. Saw Linda after the divorce and after she got with Robert, but then lost track of her. Use to enjoy her company and the things we talked about, life, children, foods home. We really connected I thought, but after all the things that happened in both our lives she became distant. missed that lady s very much, we went through so much. Linda is now at peace with God. Will always miss my friend. God Bless Marjorie A. Schmidt Bristol, WI*
