“ *I visited the Ledvina farm a number of times growing up. My dad Ken was friends with Louie. Lois showed me all about the cows and the ways of their farming. I still have pictures of the lovely cows hanging out in the forest. I appreciated her ways of doing things and carrying herself. She clearly loved what she did and it showed. I was very flattered that the cows warmed up to me! I'll never forget her.*

“ *I am so sorry for your loss. I know how hard it was for her to leave her beloved farm. I know she loved being there, but I also know how much she appreciated the support her family gave her through it all. She was sly, shy, ingenuitive, observant and had a wicked sense of humor. I enjoyed my time with Lois during our visits and when I used to help on the farm. Thank you Lois for adding so much to my life! God Bless you.*
