“ So very sorry to hear of Lola's passing. Lenny and family you have your very own special angel in heaven watching over you now. I didn't know Lola real well. But the love Lenny had for her and still has with memories was exceptional. Lenny whenever you mentioned her name your eyes and your smile told me you loved and respected her so much. Life will never be the same, so lean on the Lord and he and your faith will help you through the days ahead. Keeping all of you in our prayers.

“ Several winters ago at the Schmidteree held at the Turtle Flambeau Flowage, Lola along with her sister, daughter inlaws, sister inlaws and granddaughters made snow angels in the snow out on the ice. There was no doubt, the Angel Lola made was the best. Rest assured, what we witnessed as thunder, lightning, wind and rain this past Saturday evening were the Angels in heaven welcoming one of their own coming home! We will hold you in our hearts forever Lola.
