“ Margaret has been a colleague and friend for many years. She was an outstanding teacher who helped students who had problems learning. Through her dedicated service, she helped many children to succeed in life both professionally and personally. She gave the extra encouragement that many needed. Her "you can do and succeed" attitude was exceptional.

*She loved her family! All of her children, grandchildren and great grandchildre were loved and supported by her. Her eyes twinkled when she would talk about them.*

*As a friend, she was the best! I will really miss her!*

*We are sad that we will be out of town at the time of Margaret's memorial. We extend to you the family our deepest sympathy.*
