

## Mark James Eineichner

July 13, 1978 - March 4, 2025

Mark James Eineichner

age 46, of Waupaca, died unexpectedly at his home on Tuesday March 4, 2025. He was born on July 13, 1978 in Woodruff, the son of Peter and Vicki (Svehla) Eineichner. His early life and schooling were in Park Falls. After graduation he moved to Superior and attended college for one year. He later obtained his welding and pipefitter certifications and Journeyman license. In June of 2009 he married Tara Brown and later divorced.

If you had the good fortune to know Mark, you know that his presence brought a story, likely several, laughter and a good time. And, Mark probably helped you tackle a project or helped you in some way, as he was happy to help and equal to any task. From the earliest days, Mark was a generous soul that was always on the move. Anyone lucky to call Mark a neighbor not only benefited from his generosity and excellent cooking but his passion for music, listening to it, dancing to it and playing it loudly. Mark was an outstanding percussionist and he played his drum kit like he lived his life, with passion and vigor. Mark's life was a tapestry woven in activity and joy with friends and family, fishing, hunting, playing cards, stoking a fire, cutting wood, welding and fabricating, attending concerts, cooking and sharing a meal or a beverage. All of these things were derived from and honored the legacy of those who came before him. Mark's legacy includes passing on his joy of life, generous spirit and willingness to help a friend to those he loved most, his children.

He is survived by his four children; Seth Steiner of Wausau, Ava, Saxon, Astrid Eineichner of Glenview, IL, his mother and stepfather Vicki (Don) Franke of Park Falls, sister Mindi (Laura) Eineichner of Waukesha, Stepsiblings; Todd (Kathy) Franke of Park Falls, and Nancy Franke of Dodgeville, and by nieces, nephews, cousins, and other relatives and friends. He was preceded in death by his father and infant son Ian.

A memorial service will be held at 1:00pm on Saturday March 15, 2025, at Birch Street Funeral Service Chapel in Park Falls. Deacon Robert Schienebeck will officiate.

A visitation will be held from 10:00am until the hour of the service on Saturday March 15, 2025, at the funeral home.

In lieu of flowers or donations, the family asks that each of you honor and celebrate Mark by sharing a story, or several, of your own with us. In this way, Mark's stories live on and while he can no longer tell them, his children will be able to read them. “ *The world will miss this guy. Carla and I offer our sincere condolences to aunt Vicki, Uncle Don, Mindi, Todd, Nancy, Marks children and all his relatives and friends. We along with God love you all.*

*Mark was my cousin and I for sure will miss him dearly. He was so easy to love and admire, I remember one time when we were deer hunting and we all ended the day at Midway bar on county F. There was a live band playing and I think Mark knew some of the guys because they asked him to play a couple songs with them on the drums. It was like you set off a firecracker inside him and he just lit up the place. I remember it being a classic rock couple of songs with high tempos and he just electrified it. Very impressive talent and personality.*

*Another time my wife Carla and I were watching TV and happened upon a music talent contest for high school age kids. This was a couple of years after Mark graduated from high school. When the first kid was done the show brought in the judges to respond and coach them and low and behold there was Mark Eineicher as one of the judges. He was so helpful, kind and honest with each kid he spoke to that they all left with a smile and you could tell confidence that they would have a future in music. That was Mark being Mark - everyone that encountered him came away better for it. Rest in peace young man.*

“ *Mark was my tenant in Waupaca for 8 short months. He was so cooperative and ready to help in any way he could. I could not have had a better tenant and neighbor. My sympathy to Vicki, Don and to his children. It was obvious he loved them very much. -Jane*

“ He was such a great brother-in-law. He had a smile like no one, you could hear him in a crowded room, picked up the phone when I called and always made me laugh. He made me the best chicken on the grill even though it took hours and hours to make and I will never forget the Motley Crue concert and the camping trips. Good times...good times. Will cherish all the memories. My deepest sympathy to his wonderful family I'm so lucky to be part of.

“ Where to start? I guess I met Mark when he was about 22. Looking back over the years I remember bowling at the lanes in Park Falls, and Feits? (spelling). having a beer at Jacks. We saw Marquette beat UCONN the year they went to the final 4 with D. Wade. We played a music trivia game for many, many hours and I never came close to winning. We played music together, Mark was the loudest drummer I've ever played with, and so good. Saw his band play at The Rave in Milwaukee, their bass player didn't show up but they went on and jammed. He was my Brother-in Law for a bunch of years and the best one I could ever want. Such an easy smile, ready to laugh. There's so much to tell but I'll leave with this: Mindi, Vicky, Don, I'm so sorry. Too young.

“ *We met in college while attending UWS. It was instant friendship and connection. We didn't see much of each other after school, but we connected in other ways. I loved this man from day one. The stories I have are ridiculous and many. I will cherish my time with Mark forever. I hope you find the flavor packet in your journey.*
