“ *I became good friends with Mark & Nancy R. when they first moved to Muskegon in 1976. Mark & I worked together at Whittaker Electric Co. He introduced me to golf and Heath kits. I became a fan of his highly sardonic sense of humor and I appreciated and envied his engineering skills.*

*I wish I had reconnected with Mark before he passed. While we didn't live nearby each other for very long, now, forty-five years later, my friendship with him still has really special meaning to me.*

“ *To all my cousins I was so sad to hear about Mark to us when we were little we called him Timmie. I am so glad we were able to see him again( after all those years of not seeing him ) in August when we got together. And now we have our pictures that we would not have had. Know that I am thinking of you and have you all in my prayers. Love from cousin Maria*
