“ *Marvie and my mom were friends and neighbors for many years. My mom was Bette (Hilgart) Black. My mom talked about the good ole days and how things were back then and how they lived across from the Bichanich family. I grew up knowing them - and the last person to pay respects to my mom at her visitation was Marvie. I will never forget it - or her. She was always very special to all of our family.*

“ *My across the street neighbor for 20 years. Helped me with gardening when I moved from the South and was clueless about northern plants. Always marveled at Marvie and her intrepidness. Managing riding mower and huge snow blower even at age 90. She wasn't so much a mentor as an inspiration. RIP.*

*Marvie was my neighbor for 46 years. We talked often when we were doing yard work. We started going to the Peace Lutheran end of month dinners until I moved out of town. So sorry to hear of her passing.*
