“ *I'm so sorry to hear about Aunt Mary. She is a treasure and matriarch to this family and will be missed more than I can express. I always loved my visits to your family farm during my early years. Her stories were fantastic and her old country expertise will be missed. Please wish your family well. Let me know if you need anything. Sincerely!....Michael Golob*

“ *Ron & I are deeply sadden by the passing of Mary. I did not know Mary existed till I started working on the family history. Mary was a wonderful, kind. loving person with lots of history behind her. She had a family that she was very proud of. I will miss Mary and the visits we had with her over the pass few years, plus all our phone calls at home and in the nursing home. We wish we could be with you at this time but the weather isn't the best during these winter months. Our [prayers are with you at this time. Ron & Marleen (Gwinn) Wiffen*

“ Even though we didn't know Mary very well, we know she was a person, whose life you could write a novel about!
In the time we spent together (in Slovenia and America) she always had a smile on her face, like life couldn't do her wrong. She was full of energy, and will forever stay in our hearts like that.
Mary you truly will be missed!

Our condolences to all the family.
