“ *When I think of Mary, it always brings a smile to my heart. I first met Mary years at the hospital where we were both working. Mary is a warm and kind soul, and the world was a better place with her in it. My sympathy to the family, with a special hug to Liz.*

I lived where her brother Genie's road started and Mary would call in snow storms to see if he got out...he always did and Mary and I had such good conversations...she was so sweet and Genie always tipped his hat to me as he drove by...good memories :)
