I just learned of this. I am so sorry for your loss. The first time I met Mary, it was to be introduced as sisters. She was so proud of her children. Thinking of you Carly and Matt.

Matt and Carlie,
So sorry for your loss. Your mom had the best laugh and smiles.
She loved being a grandma.

Mary and I met in kindergarten. She lived just a few blocks away from one another and usually shared the bus to school. We graduated from high school together. She was always funny and gregarious. I'll never forget her. The picture here is exactly as I remember her at 5. My thoughts are with her kids and family.
