“ *Mary Jane Lobermeier*

“ *I wanted to extend my sympathy to the Lobermeier families and Mary Jane's close friends. Mary Jane was a respected Personnel Manager at Omark/Blount. She hired me as an assistant in her department and then recommended me to succeed her when she retired. We confused a lot of people—she was Mary Jane and I was Mary Jean. It made for some interesting mixups for the first year or so. We visited her in Springstead a few years later. She was a great mentor! Mary Jean Peterson, Prentice*

“ Mike and I feel as if we have lost one of our best friends. We have so many precious memories of this beautiful person. Words cannot express our deep sorrow. I met Mary Jane in 1952, and the Lobermeier s lived just down the street. I have known and kept in touch with Mary Jane throughout all these years and especially enjoyed our years after retiring from Northern Virginia to spend 10 yrs in Park Falls enjoying the wonderful people and being a part of that area. The world would be a better place if we had more people like our dear friend, Mary Jane.
