“ *My deepest sympathies go out to Mike's family and friends. It is with sadness. I learned of his passing. Mike and I grew up together and remained friends forever. I thoroughly enjoyed his friendship through our grade school and high school learning. Many fond memories. Mike was always ready for an adventure. An adventure is what we did! Rest in peace. Mike was kind, funny, caring, moral and very much in love with his wife, Pam. She said he never complained. Pam did everything for him and wished they had more time together. We wish we did too! We love you and remember that God holds you in the palm of his hand.
