“ *A little memory of my big brother, Mike. I remember my mom taking Mike out to a small woods we used to live by in Lake Geneva and take him hunting with his bow or 22 for squirrel, rabbits and fox. He was probably 12 years old and he loved it. From that his passion for the outdoors became greater then ever. Thats how it all started. My dad was busy with his job so my mom would take him. Mike, I love and miss you so much. If anyone deserves his wings you do. I will meet up with you again someday. Your little sister*
