“ *I always looked forward to being with Michael. He was always thankful and comfortable to be around. His stories about hunting and his dog Hank made me smile.*

“ *Sending you thoughts and prayers to your family, I recall the first time meeting Mike Senior, he was running a chain saw on the corner log for my cabin, I could see immediately he was extremely talented and precise. He also built my front cabin door for me, a true one of a kind door. I have fond memories of Mike Senior and appreciated our friendship. Scott Park Family.*
