“ I just saw Mitch the last time I was home in October. We shared memories of high school and parties that we went to. We laughed and talked like we were back in high school again. I hadn't seen him in over a year so it was awesome to see him again. Just like everyone says, his infectious and unforgettable smile and laugh will linger in our memories. I personally will remember the nickname he gave me and my brother when we had Mr. Clarke class together. And his bear hugs too.

“ *Greetings Family, my heart is grieving for all of you. This is such a heart wrenching loss: a precious son, nephew, grandson, friend. Precious in the sight of the Lord is the death of one of His saints. (Psm116). Mitch will indeed be in that great cloud of witnesses (Heb12) as we each enter eternity. Please know I love all of you and I will continue to lift you before the Most High God.*

“ I am so sorry to hear of Mitch passing away. Mitch was such a great person, and a great friend. He always made everyone around him smile and laugh. I remember being in Mr. Clark's class with Mitch we were the 9-nooners haha, I'm pretty sure Mitch made up that name for our group in class. That was my favorite part of High School. We had so much fun in that class Senior year. I feel lucky to have met Mitch, he will be missed

Going about the busy of the day or in the quietude of night the Lord continues to prompt me to intercede for my Greenwood family. Writing this while tears fall and so want to shed tears with you rather than just for you. May the God of all comfort grant you each His deep peace which passes our human understanding. I have no words to lift you, but I'm asking Him to manifest His presence to each one of you! Rev Janice Wocelka Ochs
