Tribute Wall

“ Known Nancy for the longest time. Believe I met her in 1990 or so. She was like a second mom back then, always welcoming me into her home.

Really sad when I heard the news(not for weeks after) She had a tremendously kind heart. She loved to gab about anything and everything.

She loved her kids and grandchildren and would let you know just about every time you ran into her.

She was a very dedicated hard worker her entire life and She will be missed by many. RIP Nancy
