“ I spent time assisting Natalie and Steve. Later, I helped Natalie after Steve died. I never met a kinder couple. And Natalie was such a live wire! I loved hearing her stories. Every time I left she'd say “be safe out there hon!” A privilege to know them both ❤️

I've known Natalie almost my entire life, she was my childhood friend. We didn't get together much as we lived many miles apart. She was very sweet and kind hearted. She definitely had a sense of humor and always had words to say back. If you knew what was good for you, you didn't want to piss her off. She was loyal to her family and friends. I loved her like a sister and will miss her deeply. She is back with her true love, may she rest in peace.
