

Pamela "Pam" Birchmeier

March 21, 1946 - December 23, 2023

Pamela (Pam) Birchmeier

77, of Park Falls, passed away peacefully at her home, surrounded by loved ones, December 23, 2023.

She was born on March 21, 1946 to Martin and Carol Honaker in Illinois. Pam moved to her farm in Butternut in 1996 where she cared for many animals. She married Michael Birchmeier and was blessed to gain a large family with many children, grandchildren, nieces and nephews whom she loved to spend time with. She worked as a security guard at the Park Falls mill for a short period of time. Pam was a devout Catholic. She was also an avid gardener. Before Catkins opened, Pam spent her free time unofficially running her own animal shelter by driving around in her van and picking up animals who needed homes. She would act as their foster home until she found the perfect forever home. Pam enjoyed spending her time with her family, friends, and dogs telling jokes and sharing treats.

Pam is survived by her brother Martin (Kathleen) Honaker and many step-children, grandchildren, a great-granddaughter and nieces and nephews. She was preceded in death by her husband, Michael Birchmeier; her previous husband, Arthur DeBardleben; her father, Martin Honaker; her mother, Carol Honaker; and her brother, Charles (Chucky) Honaker.

Pam's final wishes included having no funeral arrangements. She will be buried in Lakeside Cemetery in Phillips.

Memorials or donations may be made to Catkins.

Birch Street Funeral Service is assisting the family.

“ So sad to hear of Pam's passing. I will miss her visits to Joe's Auto Glass for glass for her religious pictures and a chat. A good person with a kind heart. I will miss her.

“ This woman was the epitome of what every person on earth should strive to be in this life. She was smarter than she let most know and up to the last day I saw her, she still had it. I know I could never live up to her absolute perfection, but the words she has left on my heart makes me hope that I could live up to even a fraction of what she saw me as. If anyone deserves a welcoming party into heaven, it's Pam and I know for a fact that it consisted of all the dogs she helped find homes along with everyone she looked forward to seeing.

My friendship with Pam started with my asking her for assistance with a ride back to my apt. and immediately progressed to best friends ever. That's just how she made you feel .just so loved. I spent many hours with her and Mike at the farm was always made to feel at home . We loved puzzling and just enjoying life. Pam so truly loves our Father in heaven and learning and reading his word and sharing his love with any who knew her. My very special friend has gone home. I love and miss you dear friend.
