“ *Patty was one of a kind and will be missed. She was quick witted and fun. Many memories of playing ball together (with Bridget) and other shenanigans at Pine Forest Lodge many moons ago. If you stepped out of line she would set you straight... in a heartbeat! We are sorry we can't be there to celebrate her life. Deepest condolences to the immediate and extended family. May she Rest In Peace. 🙏*

“ Our prayers are with you, your family and Mrs.Mantor’s friends. Mrs. Mantor was our Mom’s first friend up in the woods. I remember when Mrs. Mantor introduced me/us to our first Mountain Dew in a fancy clear glass at the original Big Dipper. I also remember our Mom treating us to Mickey Mouse bars. And you becoming our first friend , and how your mom let us “help” her in her gardens (even though we did more damage than help)! We are so blessed to have such legendary mothers of great character, faith incredible sense of humor and strength beyond understanding.
So many fantastic memories - thank you for walking with our Mom and sharing your amazing vegetables with us - Mrs.. Mantor, it’s not goodbye, it’s until we meet again, and we will meet again!
Hallelujah. His Word IS good.

“ Mine and Dave's deepest sympathies are with Terry and the entire family at this time. Patty was an amazing lady. I have so many wonderful memories of her from the time I was a little girl, coming up here and going with my parents to The Big Dipper. Also of going snowshoeing and cross country skiing, horseback riding, and some fun adventures kayaking. Patty always had a smile and a sense of adventure. Her kind soul will be terribly missed. Fly with the angels you are one of the special ones. The Mundt family.
